

We invite you to join in the work of *Ethos: EA Centre for Christianity and Society* to help God's scattered people live biblically in their personal, working, community and political relationships.

Please indicate below which option you would like to select. You can print and post the form to PO Box 5214, Pinewood, VIC 3149, or email it to info@ethos.org.au.

As always, we welcome any additional support you are able to provide us by way of donation. This is an important addition to our annual income, for which we are grateful.
